

Potential Recommenders List

This document is designed to help youth keep track of their recommenders. The number they need will depend on the requirements of each college, university, or scholarship they are applying for. Unless specific information is requested, youth may be able to use the same recommendation for multiple schools. This document also provides space where youth can reflect on *why* they want a recommendation from that individual, with a quick reason why they are asking.

Recommender 1 Name: _____

Role/Subject: _____

Why?: _____

Email: _____

Recommender 2 Name: _____

Role/Subject: _____

Why?: _____

Email: _____

Recommender 3 Name: _____

Role/Subject: _____

Why?: _____

Email: _____
